GABRIEL
NIXSON JONES J

Full Stack Developer(MERN)

📍 No 12, pranave Orchid,
Salamangala-601301

PROFILE

I'm a passionate full stack developer, skilled in MERN stack. With a range of hands on projects, I've sharpened my abilities in creating user friendly web application by creating many web sites as an hobby.

Eager to learn and collaborate, I'm ready to contribute my fresh perspective and problem solving skills to dynamic terms.
